K&K property disclosed more information of ONE STANLEY, a prestigious residential project on Wong Ma Kok Road in Stanley in their press conference today. The luxurious development offers houses with a saleable area ranging from 2700 to over 7000 square feet. It is expected to be launched in the form of completed property in 2023 Q2.

“The pricing makes reference to the luxury properties in the southern district of Hong Kong Island, as well as Ap Lei Chau and Wong Chuk Hang, of which the transaction price of the larger units has recently reached over HKD\$40,000 per square foot,” Tony Cheng, Investment and Sales Director of K&K Property Holdings Ltd. says.
